NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 30 June 2018

1. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities (the "Listing Rules") on the Stock Exchange and by the Hong Kong Companies Ordinance.

The consolidated financial statements have been prepared under historical cost convention except for certain financial assets which are carried at fair values at the end of each reporting pariod. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Save as described in note 2, the accounting policies adopted for preparation of the consolidated financial statements are consistent with those followed in the preparation of the Group's consolidated financial statements for the year ended 30 June 2017.

2. APPLICATION OF NEW AND AMENDMENTS TO HKFRSs

The Group has applied for the first time in the current year the following amendments to HKFRSs and Hong Kong Accounting Standards ("HKASs") issued by the HKICPA.

HKAS 7 (Amendments)	Disclosure Initiative
HKAS 12 (Amendments)	Recognition of Deferred Tax Assets for Unrealised Losses
HKFRSs 12 (Amendments)	As part of the Annual Improvements to HKFRSs 2014-2016
	Cycle

Except as described below, the application of the above amendments to HKFRSs and HKASs in the current year has had no material impact on the Group's financial performance and positions for the current and prior years and/or on the disclosures set out in the consolidated financial statements.

HKAS 7 (Amendments) Disclosure Initiative

The amendments to HKAS 7 require an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both cash and non-cash changes. In addition, the amendments also require disclosures on changes in financial assets if cash flows from those financial assets were, or future cash flows will be, included in cash flows from financing activities.

Specifically, the amendments require the following to be disclosed: (i) changes from financing cash flows; (ii) changes arising from obtaining or losing control of subsidiaries or other businesses; (iii) the effect of changes in foreign exchange rates; (iv) changes in fair values; and (v) other changes.

2. APPLICATION OF NEW AND AMENDMENTS TO HKFRSs (Continued)

HKAS 7 (Amendments) Disclosure Initiative (Continued)

A reconciliation between the opening and closing balances of these items will be provided in a note to the consolidated financial statements of the annual report of the Company. Consistent with the transition provisions of the amendments, the Group has not disclosed comparative information for the prior year. Apart from the additional disclosure in the note, the application of these amendments has had no impact on the Group's consolidated financial statements.

In addition, the HKICPA has issued a number of new and amendments to HKFRSs which are not effective for the Year and have not been early adopted by the Group.

Over the past decade, film market in China has been growing rapidly. According to the market research conducted by Entgroup* (北京藝恩世紀數據科技股份有限公司), a leading research center of China entertainment industry, China was the world's second largest box-office market in 2017 with revenue of RMB52.4 billion, at a phenomenal growth rate of 15% year-on-year. The number of cinemas and screens in China has been increasing rapidly in recent years. As of 31 December 2017, there were about 9,300 cinemas and 52,700 screens in China, growing by folds within five years and surpassing those of the United States. This underlines the growing popularity of cinemas and lays a solid foundation for the sustained growth of China's film industry.

FINANCIAL REVIEW

Overall Review

During the Year, revenue of the Group increased by 103.0% to HK\$91.2 million (2017: HK\$44.9 million), driven by the growth of film exhibition income from an expanded cinema network.

Loss for the Year attributable to the owners of the Company was HK\$153.8 million (2017: HK\$62.3 million). Such increase is mainly due to (i) the increase in fair value loss derived from the financial assets under the segment of investment in securities; (ii) the increase in impairment loss on goodwill; and (iii) a non-recurring gain on disposal of associates which was recorded in the previous year. Basic loss per share was HK\$0.05 (2017: HK\$0.03).

Use of Proceeds from Equity Fund Raising

During the Year, the Group utilised part of the net proceeds of HK\$161.8 million raised from the issue of 1,000,000,000 ordinary shares of the Company subscribed by Giant Lead Profits Limited (now known as "Emperor Culture Group Holdings Limited") at a subscription price of HK\$0.19 per share on 23 March 2017 (the "Subscription") for expansion of cinema operation in mainland China and investment in a film project as intended. As at 30 June 2018, the remaining proceeds of HK\$20.6 million was retained at banks.

FINANCIAL REVIEW (Continued) Liquidity and Financial Resources

The Group continued to fund its operations and capital expenditure by cash generated internally from its operations as well as the net proceeds from the Subscription. As at 30 June 2018, the Group's cash and bank balances amounted to HK\$264.1 million (2017: HK\$452.6 million) which are mainly denominated in Hong Kong dollars and Renminbi.

Total borrowings of the Group as at 30 June 2018 was HK\$60.4 million (2017: HK\$60.9 million) comprising the amounts due to non-controlling interests and related companies of HK\$44.9 million and HK\$15.5 million (2017: HK\$44.9 million and HK\$16.0 million) respectively, which are denominated in Hong Kong dollars and Renminbi, unsecured, interest-free and repayable on demand. The gearing ratio (expressed as a percentage of total borrowings over net asset value) was 8.0% (2017: 6.7%).

Exposure to Fluctuation in Exchange Rates and Related Hedges

The Group's cash and bank balances, income and expenditure are primarily denominated in Hong Kong dollars and Renminbi. The carrying amount of the Group's Renminbi denominated monetary net assets was only less than 10.0% of its net assets as at 30 June 2018. Hence, the Group's exposure to fluctuations in exchange rates is insignificant.

Profit Guarantee

Pursuant to the terms of the sale and purchase agreement (the "S&P Agreement") dated 4 May 2016 entered into by a wholly-owned subsidiary of the Company with Jade Sparkle Holdings Limited and Mr. Wong Chun Loong (now known as "Mr. Huang Tony Jademan Xian Zhen") (collectively referred to as the "Vendors"), both being independent third parties, in respect of the acquisition of approximately 78.64% equity interest in Jade Dynasty Multi-Media Limited and its subsidiaries (collectively referred to as "JDMM Group"), the Vendors have given a guarantee (the "Profit Guarantee") to the Group that the audited consolidated net profit after tax of JDMM Group for each of the financial years ended/ending 31 December 2016, 31 December 2017 and 31 December 2018 (each of the "Guarantee Period") would be no less than HK\$10.0 million (the "Guaranteed Sum") for each of the Guaranteed Period.

In case the Profit Guarantee is not fulfilled in each of the Guaranteed Period, the Vendors shall pay 78.64% of the difference between the Guaranteed Sum and the audited consolidated profit after tax of JDMM Group (the "Shortfall") to the Group, and for avoidance of doubt, if JDMM Group sustained a loss for such financial year, 78.64% of the Guaranteed Sum shall be payable by the Vendors to the Group.

For the year ended 31 December 2017, JDMM Group recorded a loss after tax and hence, the Vendors were obliged to pay the Shortfall of HK\$7.9 million, being 78.64% of the Guaranteed Sum to the Group. The Group had recorded the Shortfall as compensation income and compensation income receivable in its audited consolidated financial statements for the Year, and also demanded payment from the Vendors of the Shortfall pursuant to the terms of the S&P Agreement. The Shortfall was subsequently settled by the Vendors on 20 September 2018.

BUSINESS REVIEW

Film Exhibition

The Group devotes to expand its film exhibition network in prominent locations through its label "*Emperor Cinemas*". During the second half of the Year, four brand-new "*Emperor Cinemas*", one immediately after another, were opened and commenced business. They are located in either large-scale commercial and entertainment complex or upscale residential areas including Shin Kong Place in Chongqing, Emperor Group Centre in Beijing, Donghai Garden in Shenzhen as well as New Town Mansion in Tuen Mun, Hong Kong. "*Emperor Cinemas*" are positioned as high-end premium cinemas equipped with advanced technologies including IMAX theatre system, ScreenX, 4DX or MX4D motion systems, D-Box seats and Dolby Atmos audio system. They also feature VIP houses and VIP lounges where the audiences can enjoy premium and exclusive entertainment services.

As at 30 June 2018, the Group ran five cinemas, offering a total of 54 houses with more than 6,200 seats. With rapid expansion of the film exhibition business, the revenue from this segment increased remarkably from HK\$31.8 million in the previous year to HK\$65.6 million for the Year, representing 106.0% growth. These new cinemas will not only bring in new income stream and stable return to the Group, but also lay a strong foundation for the Group's film exhibition business.

Film and TV Programme Investment and Production and Others

During the Year, this segment generated a revenue of HK\$24.6 million (2017: HK\$26.3 million) to the Group which was mainly contributed by distribution and licensing income arisen from animation business and release of certain co-invested films.

As of 30 June 2018, the carrying values of the Group's film and TV programme rights and production in progress were HK\$14.0 million and HK\$150.8 million (2017: HK\$12.0 million and HK\$215.5 million) respectively whilst the carrying amount of the investments in film production was HK\$35.3 million (2017: HK\$1.7 million). During the Year, the Group recognised an impairment loss of investment in film production of HK\$37.0 million (2017: HK\$62.8 million).

BUSINESS REVIEW (Continued)

Film and TV Programme Investment and Production and Others (Continued)

Due to the change in market condition in the mainland China which caused the deferral of certain animation projects to be released and its expected income is affected, the management took a prudent view to forecast the production, distribution and licensing of animated TV episodes and theatrical films business. As a result, an impairment loss on goodwill of HK\$27.4 million (2017: HK\$2.6 million) was recognised for the Year.

Event Investment and Others

The segment of event investment and others derived a revenue of HK\$1.0 million (2017: HK\$0.9 million) for the Year. Revenue of this segment was contributed by two co-invested concerts. The Group continues to take a prudent approach in the selection of events to be invested.

Investment in Securities

During the Year, the Group did not have any transaction in relation to investment in listed securities (2017: transaction loss of HK\$14.1 million).
